

Family Fishing Waters in the Salmon Region

1. Big and Little Bayhorse Lake

From Stanley: Drive 45.5 miles toward Challis on Highway 75. At milepost 236 turn left (north) at the Bayhorse Lake sign, following Forest Service Road #051. This dirt road is narrow and steep and while trailers are allowed, caution is advised. (As per USFS website)

From Challis: Travel east on Highway 75 to mile marker 236, turn right (north) onto Forest Service Road #051 (at sign), and continue upward and onward 7 miles to Big and Little Bayhorse Lakes. This dirt road is narrow and steep and while trailers are allowed, caution is advised. (As per USFS website)

2. Capehorn Lake

From Stanley, take Highway 21 west toward Boise. Turn right (north) off Highway 21 onto Forest Service Road 008. Follow road for about 1.5 miles and turn right (south) at sign for Bradley Memorial Camp and Capehorn Lakes (FS Road 003). Road splits, veer left and follow Forest Service Road #003 to the lake.

3. Challis/Blue Mountain Pond

From Challis, take Highway 93 and go west on Main Street. Follow Main Street until Second Street. Park in the parking lot and walk to the pond (60 yards).

4. Hayden Creek Ponds

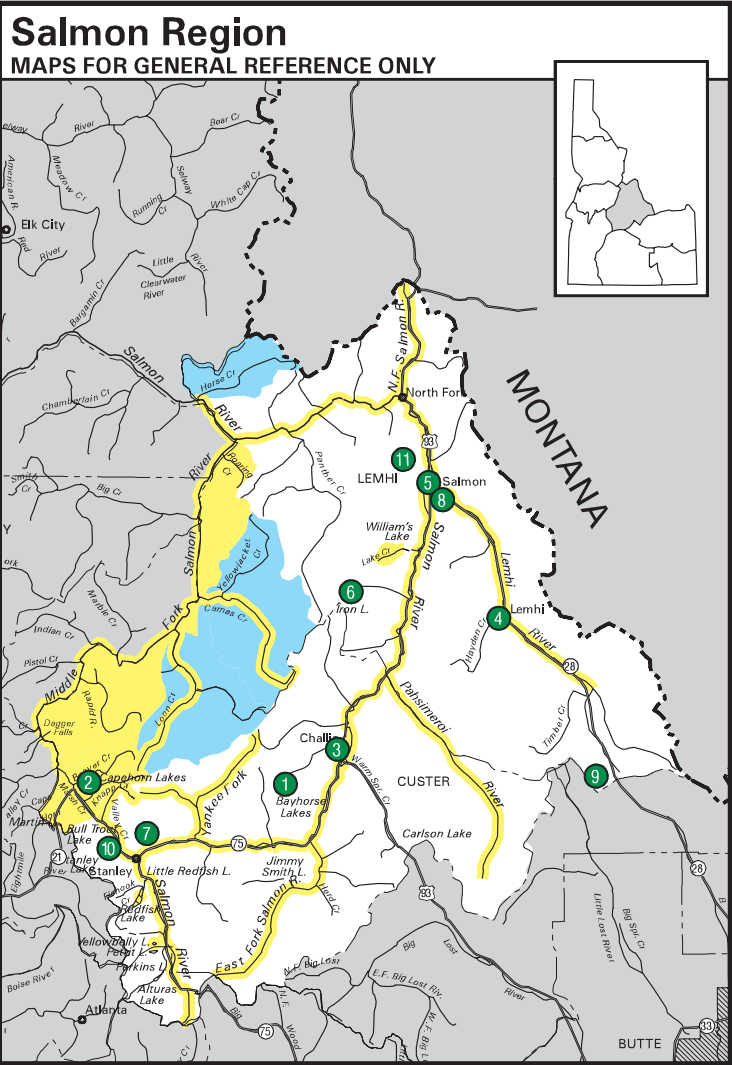

From Salmon, take Highway 28 south for 24 miles. Turn right (west) on Hayden Creek Road (Forest Service Road #008) and go approximately 3 miles. Ponds are located on left side of road and can be accessed by walking across the bridge.

5. Hyde Pond

From Salmon, take Highway 93 south approximately 4 miles and turn left (east) on the road leading to the airport. Continue straight past the airport road to the T intersection. Turn right (south) at the T in the road (towards Sunset Heights) and continue for 1.4 miles until pond is visible on the right side of the road.

6. Iron Lake

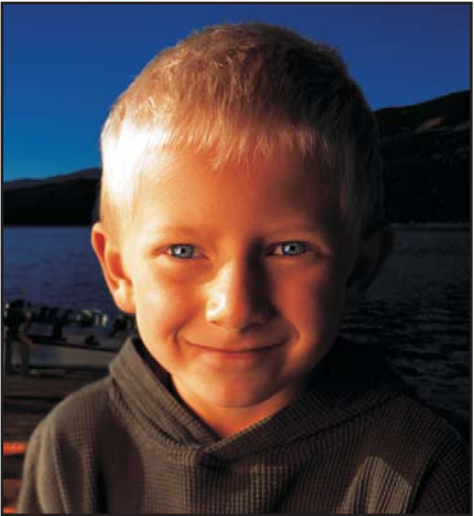

From Salmon, travel 5 miles south on US 93 turning right (west) and crossing the Salmon River at Shoup Bridge onto Forest Service Road #021. Continue west on Forest Service Road #21 for 20 miles. Turn left (south) on FR 020 and travel south approximately 21 miles. Forest Service Road #020 is a narrow, rough mountain road requiring slow and careful driving. Not recommended for RVs and trailers. (As per USFS)

Trout are known to be present in these waters:

Trout

7. Kelly Creek Pond

From Stanley, take Highway 21 west toward Boise for about 5 miles. Turn right off Highway 21 onto Forest Service Road #653 directly across from the Stanley Lake Road turnout. Follow that dirt road and keep to the right not taking the turn-off to Basin-Butte Lookout. Keep following the road for a few more miles as it winds around and comes to an intersection with a big brown information board on the left. Take a left here. Follow this road for one mile to another intersection and take a right. Follow this road for another 3 miles or so, and keep to the main road. Keep your eye out for a rustic parking area on the left and the earthen berm of the pond (you cannot see the water, the pond is elevated). There will be a pipe coming from the pond and under the road that you will see if you missed the parking area. Park in the parking lot, and walk to the lake.

8. Kids Creek Pond

From Salmon, at the junction of Highway 28 and Highway 93 take Highway 93 south for about 0.5 miles. Pond is located on left (south) side of the road. Location is marked with a sign that is visible from the road.

9. Meadow Lake

From Leadore, drive 17 miles southeast on Highway 28 and turn right (west) onto Forest Service Road #002. Follow the gravel road approximately 6 miles as it climbs 2,080 feet to the lake.

10. Stanley Lake

From Stanley, take Highway 21 west toward Boise for 5 miles. Turn left off Highway 21 at the Stanley Lake road sign and follow the clearly marked route to the lake.

11. Wallace Lake

From Salmon, ID, take US Route 93 north 2.9 miles to Stormy Peak Road and Wallace Lake sign. Turn left (west) after sign but before bridge over Salmon River, and go 0.6 miles to a "Y" intersection (Forest Service Road #023). Bear left onto Route 023 (gravel) and go 11.6 miles to Wallace Lake sign just before an intersection. Turn left at intersection and go 3.9 miles to a "Wallace Lake Campground sign." Turn left at sign and go 1 mile to campground. Lake can be accessed from campground.

NOTE: The last mile is very rough, rocky, and steep. The campground interior road is also very rough and rocky. Not recommended for travel trailers and other large RVs. (As per USFS)
